## **ENCROACHMENT PERMIT REGULATIONS**

1. All work shall be performed between the hours of 7 am and 6:30 pm Monday through Friday unless approved otherwise by the Director of Public Works.
2. Applicant is required to keep the encroachment permit on the jobsite at all times during the course of the work.
3. Applicant to notify Underground Service Alert (USA) (800-642-2444) minimum 48 hours prior to start of any work.
4. Applicant to notify the Police, Fire and Public Works Department minimum 48 hours prior to the start of any work blocking street access or any work requiring traffic control. Applicant to provide property owners minimum 48 hours notice of any work adjacent to their property and shall maintain convenient access to the owner's property at all times.
5. Applicant shall accept sole responsibility and liability for public, property owners and workmen's safety and convenience within the sphere of influence of the work site. Applicant shall provide all necessary flagmen, lights, barricades and safety devices to route traffic safely around the work site.
6. All work performed within the City right-of-way shall conform to the City of Wheatland's Public Works Construction Standards and any special provisions required by the Director of Public Works at the time of the permit application. All excavations shall be back-filled at the end of each workday and temporary pavement placed level with the existing pavement unless approved otherwise by the Director of Public Works. The streets shall be kept free of dust and debris during the course of work and left in a dean condition at the end of each work day.
7. All work performed within the City right-of-way is to be inspected by the Public Works Department unless approved otherwise by the Director of Public Works. Applicant is required to provide the City minimum 48 hours notice to schedule inspections in accordance with the inspection schedule printed below the applicant's signature on the front side of this permit.
